Newsletter No. 21

10th March 2017

Curriculum News

Another fantastic week for Spratton Primary. Years 5 and 6 have had a bikeability workshop; a 3 day intensive cycling course developing road awareness and cycling techniques. The feedback from the pupils has been overwhelmingly positive. This will be arranged again for the future Year 5 and 6's.

Additionally, the 'West End in Schools' performance was rescheduled and the children got to enjoy that this morning!

Car Parking

Dear Parents,

The school has received a number of complaints from local residents regarding drop offs and collections during the mornings and afternoons.

Please can I remind you not to park on the yellow zig-zag lines and anywhere where your vehicle could be blocking an entrance/ driveway or lines of sight for other road users.

Please be considerate and remember this only increases the safety of our pupils.

Kind Regards,

Mr Pool

Fair Trade

Fair trade fortnight continues into next week, please come and take a look at the fair trade products we have on sale.
