LATEST NEWS ...

I can't believe it is half term already – the time has really flown by! Swimming has now finished for years 3 – 6, and they have been working really hard in the pool to achieve their swimming goals. We would encourage children to swim over the holidays to support their stroke development and water confidence. Meanwhile, Class 1 have been decorating gingerbread men as they do some work inspired by the book, 'The Gingerbread Man'.

Our topic for next half term is 'Remember, Remember'. Class 3 will be studying World War 2, Class 2 will be looking closely at the events of World War 1 whilst Class 1 will be starting by looking at the role of animals in the war.

Harvest Service

Thank you to all the parents and carers who attended our Harvest Service at the church today. It was great to see so many faces there. We hope you enjoyed it!

Coats

Lots of our children are still coming to school without a coat. Please could you check your child is bringing a coat to school with them after half term.

Beauty and the Beast Workshop and Theatre Visit

You may have noticed these additions to our 'dates for the diary' section. This year, instead of a pantomime, we have arranged for the children to go to the Corby Cube to see a stage production of 'Beauty and the Beast'. In preparation for this, drama workshops will also be taking place in school. This promises to be a great experience.

A letter detailing the event and payment will be sent home after half term.

School Open Day

Our open day is taking place on Thursday 1st November, please tell prospective parents about our wonderful school and encourage them to take a look round. Thank you for your continued support.

Our Christian value is now
Thankfulness

Recommended Reads

'Goodnight Mr Tom' is a cracking read for 9 – 11 year olds about Class 3's topic, 'World War 2'. I would recommend reading this book with an adult as it does contain some upsetting themes.

Pupils of the Week

Well done to our 'Pupils of the Week'. They made us all proud with their continued level of effort and desire for learning. These pupils are role models for trying your best even when things can be challenging!

Class 1: Jessica

Class 2: JJ

Class 3: Callum
